Spectacular Fireworks Display Concludes Fair

By Mrs. Gert Krubaec
Phone TUCKER 9-4762

WILMOT, Wis.—The 40th annual Kenosha county fair, ending in a blaze of spectacular fireworks Sunday evening, was termed the finest in its history by directors, as well as fair goers. Statistics substantiate the conclusion. An estimated 38,241 people thronged the fair grounds for the four-day entertainment and educational spectacle.

The largest paid attendance recorded 25,494 people. Last year's attendance was 18,531, and the year before, when the weather helped, the paid attendance was something over 22,000.

Weather helped in 1960, though Sunday cut what might have been a soaring record breaker.

The first three days of the August 11-14 exposition were ideal, but Sunday's rain and dropping temperature figured in the diminishing gates.

They were good, but could have been, undoubtedly would have been, better.

Only one feature was cancelled—the livestock parade, which due to the muddy condition of the track in front of the grandstands, was not held.

Nippy winds kept fair goers on the move, and the audience which enjoyed the excellent concerts by the Great Lakes Naval band Sunday afternoon and evening scarcely did justice to the performance of this fine corps of musicians.

Entries in the fair were excellent in quality. In particular, the art exhibit, and the sheep show drew comments from the judges who noted the expansion of these divisions.

The new educational exhibit building held entries from 4,000 competing school children, judged by Miss Doris Phipps, Sheboygan.

More than 1,000 game fish stocked the rainbow trout pond manned by members of the Southeastern Wisconsin Sportsmen's federation where crowds of anglers clustered around the banks for put-and-take fun.

Highlights of the fair included the crowning of the 1960 county fair queen, Judy Lois, 17, of Salem Township.

Queen Judy and her court, Susan Bishop and Carol Stiles, Kenosha; Phoebe Walby, Salem township, and Donna Leet, Somers, rode in convertibles in Saturday's big parade.

They circled the race track during Saturday night's stock car races; were guests of midway operators, Steele Amusement company, and visited exhibitors' booths in the commercial building.

Friday's children's parade brought out colorful vehicles and children dressed in a variety of costumes.

Highlight of Friday afternoon's program was the annual 4-H livestock sale in which 35,370 pounds

of beef cattle were auctioned for a total price of \$10,640.79.

Average price was 30.84 cents per pound, but the Angus steer grand champion, owned by Judy Rasch, 17, Randall Rustlers 4-H club, brought the second highest price ever paid for beef at the Kenosha fair.

Bought by Wisconsin Packing Co., of Milwaukee, for Gasso Meats of Wauwatosa, Joe Suttrick paid 65 cents a pound for Judy's "Oswald."

The reserve champion steer owned by Jack Schaefer, Paris Township, was bought by Homer White of Antioch, for 50 cents a pound, a total of \$537.50 for 1015 pounds of beef on the hoof.

A total of 39 steers was sold. Junior fair hogs averaged 18.24 cents a pound, and sheep were auctioned at an average price of 20 cents per pound.

Maybe diminishing winds and slightly higher temperatures were conducive in bringing out the crowds Sunday evening.

But the spectacular fireworks display might have had more to do with the fact that the grandstand bleachers were packed for the parting gift, free to fair-goers—an expensive and colorful display of fireworks that brought a constant ohing and ah-ing from the crowds.

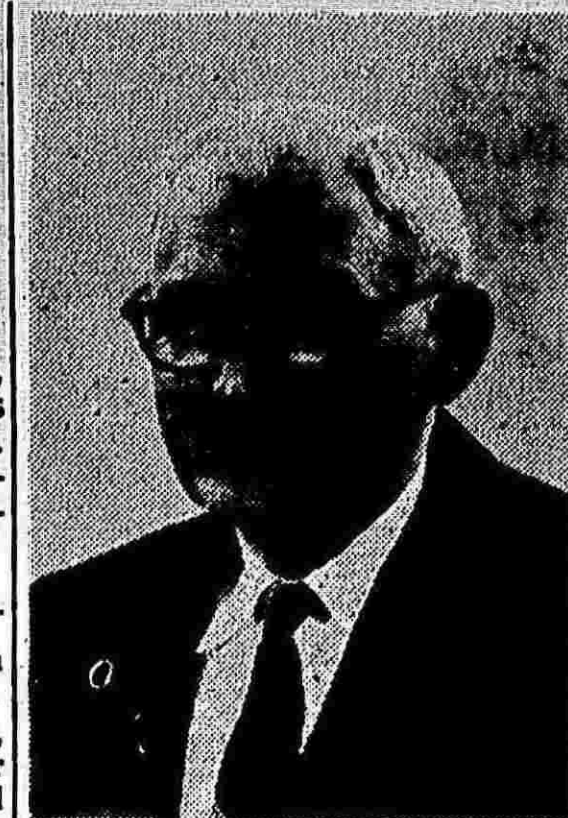

More than ten set pieces, spinners, that whirled and whined; animals; cowboys, a political piece featuring donkey and elephant, soaring rockets in the sky and a final popping, banging American flag in color, were an effective finale to the 1960 fair.

Grade School Board Session Lacks Quorum

No business was transacted although there was some discussion of several points when the Antioch grade school board of education met Tuesday evening for its monthly session.

Lack of quorum prevented the group from taking action on several matters brought up. These will be acted upon at the September 13 session.

The board will meet September 13 instead of the usual third Tuesday (September 20) because some members did not expect to be in town on the latter date.

Thursday Night Set Aside for Students Here

New student registrations at Antioch Township high school were relatively few as of Wednesday noon this week, but more were expected when the school building was scheduled to be open this evening (Thursday).

Sign-ups for pupils at ATHS new to the community and the school opened Monday of this week and will continue through Friday, August 19.

They may register from 8 to noon and 1 to 4 p.m. through this week Friday and Thursday evening, August 18, from 7 to 9 o'clock in the school office.

Assistant principal Warren Polley said Wednesday morning that a few young people have transferred either to ATHS or have indicated they would not attend the local school this fall.

He explained that some students registered here earlier or who might attend Antioch high may transfer to a parochial high school in Kenosha, Wis. Some would be local students already have registered at Kenosha.

Routine business was on the agenda for this week Wednesday night's meeting of the ATHS board of education. One item was to be admission prices for athletic contests.

Workmen from Illinois Bell Telephone company were at work this week installing apparatus to connect the school's sprinkler system with the local fire department via the local Telephone Answering service.

The school's own fire alarm system also is being connected up with the sprinkler system.

Work on both projects was expected to be completed by the end of this week.

School sessions at Antioch high and in the local grade schools will open the day after Labor day, September 6.

PADDOCK LAKE, Wis.—About 70 persons had registered at Central high school up to noon Wednesday, school officials there reported.

A total of 170 freshmen or about 15 more than last year, are expected. Only five or so of the 70 registered as of Wednesday were transfers from other schools. The school expects 585 in the 1960 student body.

Jack Fields has headed the committee in general charge.

Lions club members and their wives will be attending.

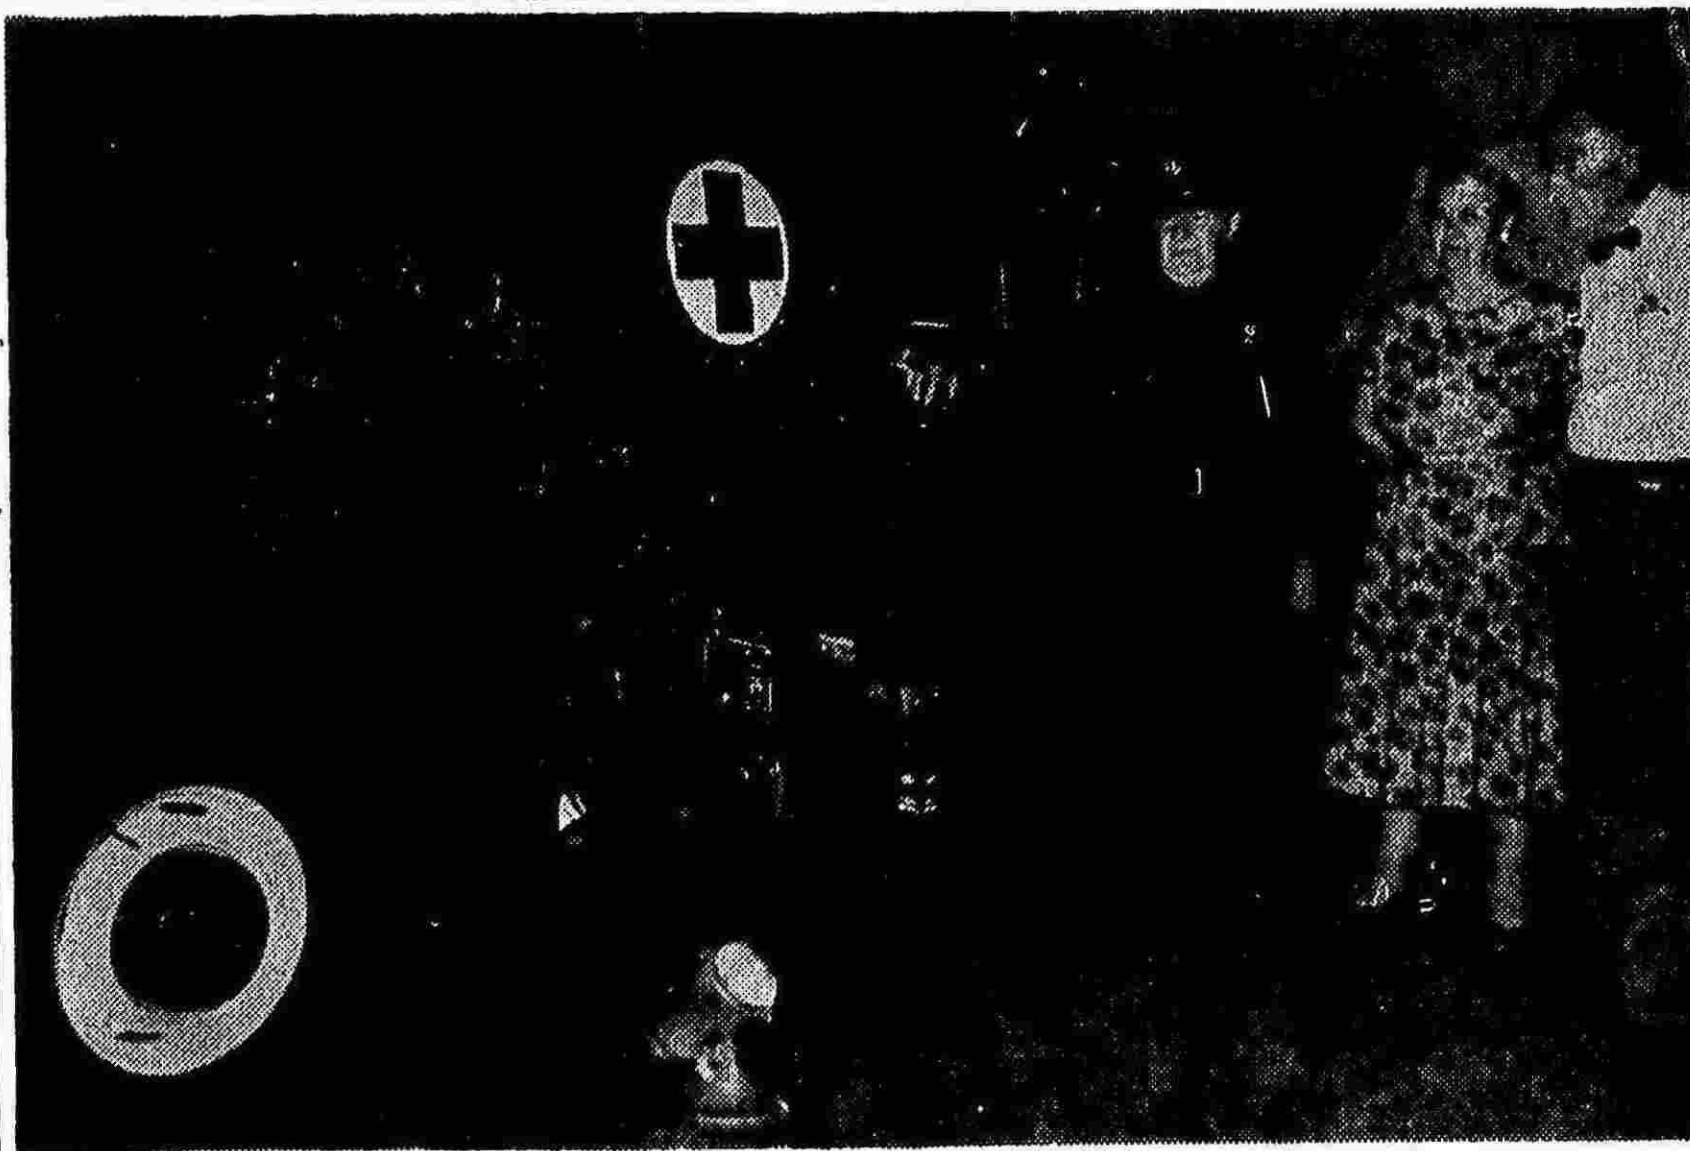

Ida Avenue Improving Bids Sought By Village

Sealed bids for the improvement of Ida avenue from Main street to the Soo Line tracks in Antioch will be received at the village hall, Antioch, until 8 p. m. Tuesday, September 6, village clerk C. B. Shultis announced.

The proposed improvement will be Type A gravel or crushed stone base 8 inches thick and bituminous concrete surface, subclass II, 2 1/2 inches thick. It also will include a concrete (type 5) curb and gutter.

This street not only serves a residential section east of Main street and the American Legion hall in that area, but also the village's industrial district east of the Soo Line tracks.

It is also a street used by some not wishing to go to the village dumping ground a longer way around, via Depot street or route 173.

ANTIOCH RESCUE SQUAD "open house" held Sunday afternoon attracted many people to the headquarters, among them being Mr. and Mrs. John Horan (right) who are shown admiring the recently purchased Rescue Squad truck. Telling them about the truck's equipment and what it has already accomplished is chief Herman Holbek of the Rescue Squad. A portable lighting unit complete with cable, one of its floodlights and its generator is shown at the center. Mr. Horan is civil defense director of Antioch. This truck is one of two now in operation by the local squad. A third has been sold to the Antioch fire department to be used as an auxiliary. (Antioch News photo)

Antioch Is Building For The Future

There is one sure sign of prosperity in a community, state or nation and also a good indication of progress.

Antioch currently is seeing this very thing in the person of new buildings going up and planned for the near future.

There is a fair amount of new residence building underway and yet there are no subdivisions such as Oakwood Knolls in progress here.

The number of new homes in the making is not large as compared to some other communities, but still it shows growth even if in a small way.

But it is in the field of commercial and industrial building that this former agricultural village and more recently a summer resort town is shining these days.

Just a look around the business section on Lake street will find two new buildings "on the way." One is the new dial building of the Illinois Bell Telephone company and the other is the new structure to house the Ben Franklin outlet and other stores.

Out at route 173 and highway 59 is the newly completed one-story building that houses "Shoes by George," the community's newest retail store.

Across the Soo Line tracks in the village's industrial section, Gefco Manufacturing company of Grayslake is constructing a 13,000 square foot building to house a radio loudspeaker assembly plant and warehouse.

The village is angling for support of an addition to its sewerage disposal plant and for more sewer mains.

Bids were called this week on improvements to Ida avenue, a key way between Main street and the village industrial district.

And the village trustees are working with some signs of success on bringing more new industry into the community.

Indeed, Antioch is building for the future.

BY LOU DURKIN

Voters in the 49th state of Alaska went to the polls recently to decide by referendum whether or not the state capital should be moved from Juneau to Anchorage and it appeared that the sourdoughs were content to continue doing business at the same old stand.

Durkin

Juneau captured the capital from Sitka in 1906 when the Sitkans were more interested in panning gold than in state capital politics.

Now Anchorage, the biggest city in the state, feels it should have the prestige of being the capital city of the state.

We understand the Anchorage boosters claimed there were more hitching posts for dog teams in their city than in the present state capital.

Lake County is losing one of its most dedicated servants because of the resignation of Pat O'Connell, genial Barrington resident, as executive secretary of the Lake County Public Safety Commission.

Pat has served the organization since its inception and is understandably proud of the improved safety record on Lake County highways.

O'Connell credits the cooperation he has received from the sheriff's office, police departments throughout the county, and the press for the improved conditions on the highways.

He also has high praise for Secretary of State Charles Carpentier who fought hard to make the Illinois driver's license a worthwhile instrument with which to control reckless drivers on our highways.

According to O'Connell many leading politicians told Carpentier he was flirting with political suicide in fighting for strict driver's license regulations, but the legislation actually enhanced the Secretary of State's position as a public official with foresight and courage.

O'Connell is planning to move to Arizona when his job with the safety commission is completed.

Republican party members are sharpening up their golf games in preparation for two major golf outings and political gatherings.

Unfortunately there is a conflict in dates since the annual Joe Welch Day at the Biltmore Club in Barrington, an event established to pay tribute to Cuba Township's veteran supervisor, and the Republican Day outing planned by Bob Milton, chairman of the Lake County Republican Central Committee, are both scheduled for Sept. 21.

Milton's hoedown is slated for the Chevy Chase Country Club with all proceeds going to the county central committee to finance the fall campaign.

The sponsors of the Joe Welch outing will probably be asked to change the date of their affair since Milton already has tickets and posters ready for his golf date.

There should be considerable pulling and hauling when the county board's finance committee starts looking for a man to fill the newly created post of Director of Finance.

There has been some speculation that County Auditor Robert J. Pearsall may be the appointee, but the veteran official, who is retiring at the end of his current term in November, is looking forward to moving to California where his daughter and grandchildren live.

A HIKE TO LILY LAKE
(Troop 92 of Boy Scouts)

Friday night we hiked about two miles and slept on the banks of Fox river.

Saturday morning we woke up at 7 and ate breakfast and rolled out of camp and hiked about 6 hours, and then took off our packs and looked for a place to make our fires and cooked food, then rested.

Around 4:30 we went swimming until 6, then went back to a little swamp to eat Saturday's dinner. That night we went to bed about 10.

We woke up at 4 in the morning because it was lightning and it was going to storm, so we hiked to a barn and slept until 7:30 when it started to rain so Mr. Gier took about five men back to Antioch to get their cars to bring us home.

Those who came were—Tony Badame, Jim Barnstable, Jim Gier, Pat Hofkamp, Jerry Haley, Mike Haley, Terry Harrison, Frank Roblin, Jim Sorenson, Gary Strahan, Tom Wajnowiak, John Capitalle, Bob Davis, Pat Huff, Bill Davis, Mike Ganger, Skip Ganger, Jim Horton, Lole Gier, Ed Hofkamp,

Volunteers For Nixon Group At Channel Lake

(By Mrs. Pearl Kapell)

CHANNEL LAKE—Bruce Worswick of Woodbine avenue, Channel Lake, is organizing a Volunteers for Nixon Group in this area.

Primary purpose of the organization is to engender interest in and enthusiasm for the Nixon cause in the coming presidential election.

Worswick explained that members will not necessarily be expected to work for their candidate. Main object will be to lend the weight of their numbers to Nixon publicity in this vicinity.

Worswick hopes to have enough members by early October to hold a giant rally in Antioch, with some outstanding Republican as guest speaker.

This is one of several such groups being formed in Lake county. There is a small fee for membership, which goes to promote the Nixon campaign.

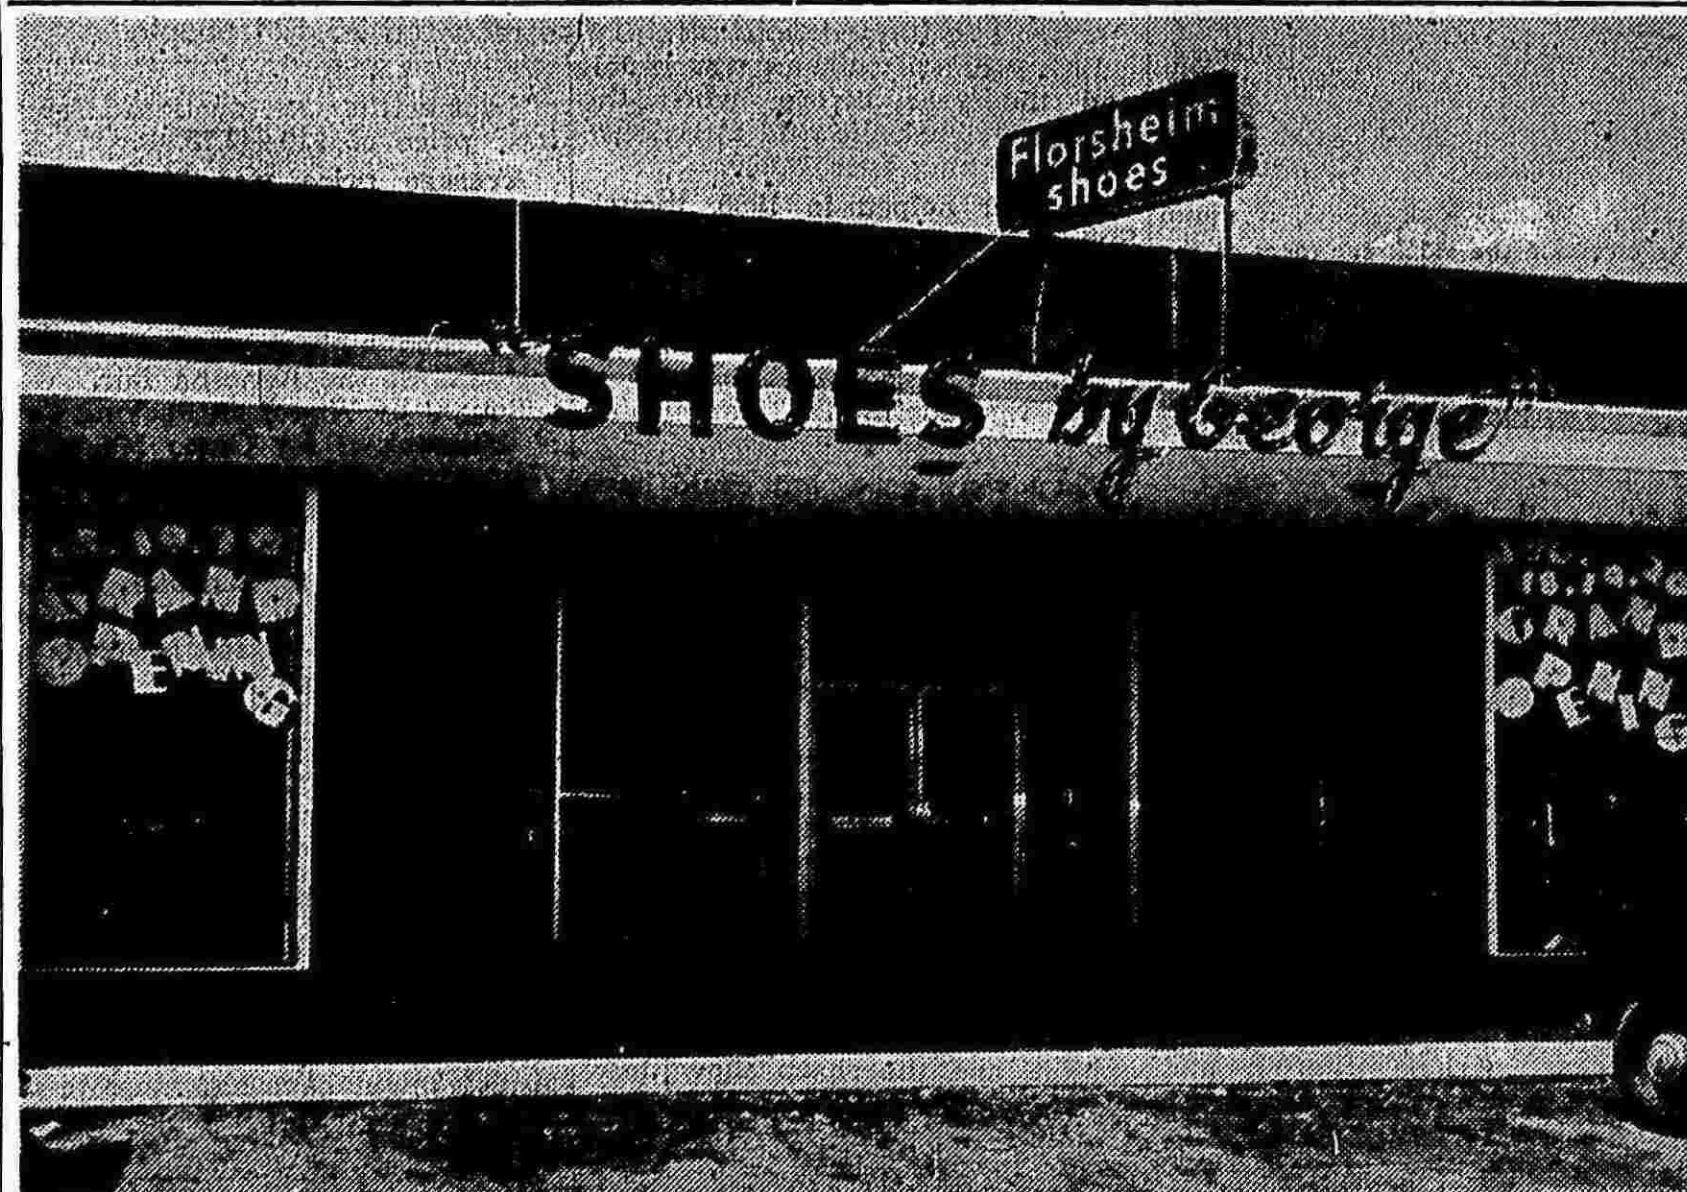

Anyone interested can contact Worswick at Antioch 2008.

Flynn Suggests Plan to Solve Surplus Problem

WASHINGTON, D. C.—(Special) Congressman Gerald T. Flynn (D., Wis.) has proposed a two-fold plan to solve farm surplus problems:

Part I, the Flynn Farm Bill (H. R. 12008), seeks to solve the farm surplus problem in the future by taking 80 million acres out of active production, and placing it in the conservation reserve.

Part II, expansion of "The Food for Peace Program," Public Law 341 of the 86th Congress, gave the administration permission to dispose of huge surplus of food commodities in 1959.

Congressman Flynn suggested that the U. S. equip a companion ship to the S. S. Hope, which is soon to tour Asia as a fully equipped medical unit with a team of doctors and technicians to give needed training and assistance in the areas where it is most needed.

He suggested this sister ship be loaded not with medicine and equipment—but with food—the same food now costing us millions of dollars annually in storage.

Flynn said a mothballed or inactive navy ship could be utilized as the United States Government's contribution and recognition of the value of the S. S. Hope, which is financed entirely by donations of drugs and equipment and private subscription.

Congressman Flynn has suggested that this sister ship be named appropriately the S. S. Help.

GIRL SCOUT TROOP 415
Mrs. Howard Wilson and Mrs. Gene Heir, leaders of Girl Scouts in troop 415, Seybaque council of Pistakee Highlands, escorted nine scouts on a tour of the Antioch office of the Illinois Bell Telephone company August 10.

Supervisors Mary Lou Flint and Minnie Kostock of the local telephone exchange acted as guides and hostesses.

Refreshments were served and an interesting motion picture was shown after the tour.

Scouts making the tour were Lynn Johnson, Linda Dobecki, Janet Erlin, Karen Shastal, Janet Thoren, Debra Montabano, Sandra Heir, Dawn Misavice and Linda Uilo.

EXPLORER TROOP 80
Eight Explorer Scouts and four leaders from Troop 80 left from the Grass Lake scout house Saturday, August 6, for a week of canoeing, fishing and camping.

Saturday night they camped seven miles west of Gordon. They arrived in Ely, Minn., where they made arrangements for canoes with Bill Ram's Outfitters.

On Monday they left by canoe for the trip which they hoped would take them over the Canadian border if their arms held out.

The food they carried was all dried food except for two canned hams. The food was packed for each day's menu.

A couple of fish dinners were also planned so if the fishing isn't good, 12 people will go to bed hungry for a couple of nights.

"These trails would shake the cab off an ordinary truck...but not our Chevy"

Few trucks are subjected to the body-wracking beatings that are part of a day's work for this Chevrolet Series 60 pulpwood hauler. It's owned by J. E. Fox, North Carolina logging contractor. As Bobby Fox, a partner in the business says, "Loaded with pulpwood, we drive over stumps and potholes you'd think would tear the truck to pieces. These trails would shake the cab off an ordinary truck, but not our Chevy. We can average an extra load a day... make \$45 to \$50 a day more with this Chevy than we can with the others."

In every weight class these Chevies are doing more work at less expense than trucks have ever done before. Drive one at your Chevrolet dealer's. It's an experience that could pay you big dividends.

◀ "That 6-cylinder engine really performs," says Bobby Fox. "It's got the lugging power we need in the woods and walks right along with a full load on the highway."

WADSWORTH—The wedding of Lillian Catherine Strahan of Sunny Hill farm, Wadsworth, and Fred Mico of Kenosha, Wis., was solemnized at St. Patrick's church, Wadsworth, at 9 a.m. Monday, August 8. Rev. William Slattery read the Mass.

The bride is a daughter of Mr. and Mrs. John J. Strahan of Wadsworth.

She wore a gown of white silk and Chantilly lace. Maid of honor was her cousin, Eileen Lux. William Laurence Strahan, a brother of the bride, was the best man.

A breakfast and reception at the bride's home followed the ceremony. After a honeymoon trip to Crivitz, Wis., Mr. and Mrs. Mico are making their home in Kenosha.

Mr. and Mrs. Jasien Are Honored on 25th Anniversary

Mr. and Mrs. John Jasien, of the Chain of Lakes Park subdivision, celebrated their 25th wedding anniversary Saturday night, August 13, at Joe and Helen's Little Acres at Loon Lake.

The party was a "huge success", with about 70 persons to help them mark this happy occasion.

Mr. and Mrs. Jasien have been living in Antioch for the last eight years, and were previously from Chicago.

Many friends and relatives that were there came from Chicago, and some from Antioch. Mr. Jasien's nephew and god-child, Leon Jasien and his wife Marianne came from Cedar Rapids, Iowa.

Mrs. Irene Jasien was as radiant as a bride in a pink lace ballerina length dress. She wore an orchid pinned at her shoulder in place of the calla lilies she carried 25 years ago.

At their wedding Mrs. Jasien's mother, Mrs. Anthony Babecki, made all the bridesmaids' and the bride's gowns. Now 25 years later she tried to commemorate that occasion by making her daughter's evening dress for her 25th anniversary.

All but one of the bridesmaids were present. They were presented with a corsage to help them remember the part they played 25 years ago.

Mrs. Dolores Babecki of Chicago was flower girl at the wedding. She is celebrating her 10th wedding anniversary this September. Everyone reminisced as she was presented with a flower girl basket to help enjoy the celebration.

Mrs. Jennette Lenczewski of Antioch, maid of honor at the wedding; Mrs. Helen Brichta and Mrs. Regina Wilcenki, both of Antioch; Miss Sophie Zowada of Chicago, and Mrs. Betty Moore of Downers Grove were bridesmaids who attended the celebration.

The Jasien's posed for a few pictures with their daughter, Marie.

Mrs. Jasien was presented with a bouquet with silver trim by owners of Little Acres, and she and Mr. Jasien danced as everyone gathered around and sang "Let Me Call You Sweetheart."

When asked later, Mrs. Jasien said she felt "just like a bride."

Constitutional Rights Violation Is Charged

Robert H. and Ruth Bemis of Antioch have brought suit in Lake County circuit court charging that the county has violated the Bemis' constitutional rights by depriving them of property without due process of law.

The local couple is seeking to overturn an adverse decision of the Lake county board of supervisors which denied them the zoning change that they wished in order to establish a cemetery at highway 50 and Beach Grove road.

The suit says that the county regional planning commission approved their petition for a change in zoning from F (farming) but the zoning board of appeals recommended a denial and the county board followed that advice.

It seeks a court order restraining Lake county officials from interfering with the Bemises' plans and a court order declaring the county zoning code null and void in connection with their property.

A hearing on the zoning change held at the Antioch village hall brought forth many persons opposed to the cemetery.

The National Safety Council says rural traffic deaths outnumber urban deaths almost 3-1.

3 Softball Games Slated Saturday Night

Golfview Field Will Be Scene; Free Admission

Saturday evening, August 20, will be a big night for sports fans.

That night starting at 7 o'clock there will be three softball games played at Golfview field, highway 83 and Wilmet road, north of Antioch, with all six teams currently in the Lake-Keno Softball league taking part.

First contest at 7 p.m. will match Joe's Tap against Sterbenz Garage, followed by game 2 that will put Jim's Service against Fox Lake Merchants and finally it will be Casey Erickson's Builders, last year's champions, vs. Golfview Badgers.

"It promises to be an exciting night of softball," league players say, "so come one, come all to the Golfview field. Admission will be free."

The windstorm of a couple of weeks ago downed three poles and wires holding floodlights at the field but these have been replaced. Lights were scheduled to be used once again this week Tuesday night in regular league games.

Last week Wednesday, Thursday and Friday, only one evening game could be played before dark.

Bleachers are available for spectators along the third base line but behind a fence and screen to protect them from flying balls and/or bats.

Those watching the games also may sit on the banking along the third base line, also back of the fence.

Games Saturday evening should last each about three-quarters of an hour with 12 to 20 minutes between games.

There is plenty of parking space near the bleachers and banking. A refreshment stand is nearby.

Football Practice Starts for Sequoits

Football equipment at Antioch Township high school will be issued on Friday, August 26, with varsity squad members reporting from 9 to 11 a.m., sophs from 1:30 to 2:30 p.m. and frosh from 2:30 to 3:30 p.m. All squad members except freshmen must present their physical exam card for 1960 before equipment will be issued, head coach Bob Walther said. These exams may be made by a physician of the youth's choice.

The Antioch clinic will perform the exam without charge.

First practice for the Sequoits is scheduled for Monday, August 29, at 8:30 a.m. During the first week double practice sessions will be held. One drill will be held on Labor day of the following week.

Football players will be greeted by three new assistant coaches, in addition to Roy Nelson, in charge of the soph team, and Walther, head mentor. AHS has added one more assistant this season.

Only three lettermen are returning from the 1959 season which saw the Fighting Sequoits win six and lose a pair. They are Captain Charles Schuth at quarterback, Lance Keisler, wingback, and Joe Sterbenz, guard.

Other outstanding candidates for the 1960 squad are: Dale Armstrong at end, Bill Bonner, guard; Don Urhart, guard; Ed

Martin, tackle and center; Ron White, tackle; John Hedberg, fullback; Joe Etten, center, and Jim Prossie, tackle.

"These boys will be fortified by last season's soph squad which will have to contribute a great deal of its potential if Antioch high's fine record of last season is to be equalled or passed," Walther commented.

The 1960 squad will be the largest in numbers in the school's history.

Last spring, 36 boys indicated they would be out for varsity football, 24 for sophomore and 28 for freshman, or a total of 88 youths.

The Sequoits open their season against Wilmet high on the Wisconsin school's field Friday, September 16.

Twilight Golf League Reports Late Results

Low net honors in the Thursday Twilight Golf league at Spring Valley Country club last week went to H. Peterson carding 21½-27½-49 and W. Underhill turning in a 12-32-44.

John Roach with 37 and Charles Miller who carded a 38 took low gross honors. Eighteen golfers took part.

About 20 golfers have been taking part in the event each week. Prizes are awarded on the basis of handicap rounds. Tee-off time is 6 p.m. each Thursday for anyone interested in joining the group.

15 Lettermen to Report August 22 For First Practice at Central High

PADDOCK LAKE, Wis.—Football practice for the Central high school Falcons will get under way Monday, August 22, with 15 lettermen expected to report to varsity coach Roger Terry and his assistants.

Dorm Grams is the varsity assistant mentor. B squad coach is Emroy Hayes and his assistants are William Becker and Allan Kantz.

Outlook for the 1960 season is considered better than in 1959 when Central won a single contest and lost 8.

However, an "extreme shortage" looms in the senior class, the coaching staff reports. A promising group of juniors may alleviate this situation to a large degree.

Stress must be laid on the improvement of the Falcon defense if success is to be obtained, coaches commented. Veteran backs Andy Aguero, Jeff Grumbeck and Jim Urban should add punch to the attack.

Quarterback spot on the Central high team is likely to be a battle between junior lettermen John Lentz and a promising sophomore, Ken Halbach.

LACK OF numbers and proven capabilities in the ranks of the senior class last year, plus defensive lapses caused by inexperience of the underclassmen were contributing factors to a relatively poor record in 1959.

Waterford is tabbed to repeat as Southeastern conference champion in this season, with second place apparently a toss-up with all other teams in contention.

Falcon coaches also rate Clinton as being much improved this fall. Central high will open its 1960 gridiron season at the Paddock Lake field at 8 p.m. Friday, September 9, against Lake Geneva Badger high school, one of the favorites for the Southern Lakes conference title.

Lettermen this season for Central, their weights and positions: Captain Frank Rhodes (tackle), 180 pounds; Aguero (halfback), 165; Neal Meier (hb), 170; Tom Straulin (center), 180; Grumbeck (fullback), 200; Ted Schmidkonz (t), 180; Rick Varvil (end), 175.

Russ Hansen (t), 180; Frank Schuere (e), 165; Bill Schultz (t), 210; Urban (hb), 185; Lentz (quarterback), 165; Rudy Czarny (guard), 160; Vince Klemko (c), 160; Ralph Remus (g), 180.

SCHULTZ, URBAN, Lentz, Czarny, Klemko and Remus will be juniors this year and the rest will be seniors.

Lost by graduation were Gary Clausen, tackle; Jim Eckert, guard; Dave Erickson, tackle; Ken Krawczyk, end; Captain Fred Lentz, quarterback; Vern Mau, guard; Gene Schulz, halfback; Lawrence Weidman, tackle.

The school expects to have an enrollment of 571 boys and girls, with Allen H. Erickson as principal, Vernon O. Horne, assistant principal; Grams, athletic director.

Cheerleader director will be Ruth

Leafstink.

Nelson Wins Wilmet Race At Speedway

WILMOT, Wis.—The "Big Dane" Norm Nelson, of Racine, made it two weeks in a row in winning all top honors in modified stock car racing at the Kenosha county fairgrounds Speedway, Wilmet, last Saturday.

The feature, generally 25 laps, was boosted to 35 for hearty fairgoers who concluded their day at the fair by turning out for the thrilling races.

Nelson, fastest qualifier also, (55.21 mph) made his night's work complete by winning his heat race—making it another "clean sweep." The 35 lap feature comprised of the 18 fastest qualifiers was rough—and costly.

A restart right from the beginning was necessary when Ed Stillman, Milwaukee, Louie Mierendorf, Milwaukee, and Ron Larson, Racine, went through the west fences.

Larsen was eliminated from competition, Mierendorf and Stillman making adjustments and repairs continued in the restart. On the 5th lap Milt Curcio, Racine, carried the east fence. Mierendorf held the lead until the 14th lap when Nelson took command.

On the 17th lap Mierendorf and Jack Radtke, Grayslake, locked horns on the front stretch spinning out into the infield among fence posts and timber.

With Nelson out in the lead the battle for remaining premium positions continued. High flying Bob Karry, Lindenhurst, used every horsepower available in securing second, followed closely by "Smiling Jack," Jack Frost, Zion.

Fourth place was nailed down by Bill Shoulders, Waukegan, with the "Flying Frenchman," Jim Olet, Hales Corners, placing fifth. (Speed 52.40 mph)

The four modified stock car heat races were chuck full with thrills and spills. An abundance of cars plus a slick, fast track made the heat races the fans' delight.

Bob Ryan, Milwaukee, topped the first 10 lapper. (Speed 49.61 mph). Second, George Belleganti, Kenosha, third, Red Muroski, Antioch.

Melius Captures 25-Lap Feature

WAUKEGAN—Miles Melius, the mighty modified king from Slinger, Wis., making his first appearance of the year at the Waukegan Speedway, won the 25 lap main event for modifieds and set a new 10 lap track record in winning his preliminary heat race last Sunday evening.

The race hungry fans also saw Milwaukeean Bill Schwister set the fast qualifying time of the evening when he turned the quarter-mile oval at a speed of 54.05 mph.

Schwister's performance stopped another streak of fast times by Greg Krieger of Milwaukee, who already has posted top honors in that class, 10 times this season out of the 13 programs.

With a northern Wisconsin track falling victim to heavy rain and cold weather, forcing its cancellation, the Waukegan track played host to top notch modified pilots not regularly seen at the track.

Among the favorites were Billy Johnson of Oconomowoc, and Etchie Biertzer, Barton, Wis., who just tied for the track championship at the Wisconsin state fair park in Milwaukee.

Fuzzy Fassbender, of Slinger, the 1957 season champion at Waukegan; Dale Koehler, Glendale, Linus Peters, West Bend, and Doug Bandl of Milwaukee were others.

Spring Valley To Host County Open Saturday

SALEM, Wis.—A good crowd of golfing enthusiasts is expected Saturday at Spring Valley Golf Course for the third round of the Kenosha County open.

Tee off time is 10 a.m., with 120 golfers in the 72-hole competition. Top position in the standings is held by a representative of this area, "Pick" Wagner, the Spring Valley pro.

The first and second rounds were held at Petrifying Springs and Maple Crest. The finals are scheduled Sunday at Kenosha Country Club.

Also at Spring Valley, the Walker's Mug tourney for members is going into the third round this coming weekend. The club is also planning a holiday dinner dance the Sunday before Labor day, for members and friends.

Lee and Baffes Win Calcutta Tournament

SALEM, Wis.—Winners of last week's Calcutta tournament at Spring Valley golf course were Frank Lee and Pete Baffes, with a low score of 116.

Tied for second place were the teams of Bill Mongan and Howard Shepard, and Barb and Cohn, with scores of 123.

FIVE OF SEVEN INSTRUCTORS at the Antioch Aquatic Center swimming pool are shown in this photograph taken during a pause in their busy schedule. This quintet and the other two who were not present for the picture, have been winding up the final week of lessons at the local pool. More than 750 boys and girls from throughout the Antioch area have been enrolled in everything from beginners through lifesaving and water ballet classes. Shown here are, from left, Sybil Erland, Karen Baird, Judy Sorenson, Sherri Davis and Sue Duha. (Antioch News photo)

HOMER WHITE OF ANTIOCH is shown with the reserve champion steer of the Kenosha county fair and the animal's owner after the Antioch man had bought the steer during an auction sale at the Wilmet fairgrounds last week. Jack Schaefer of Paris Township is the young man at the right holding his steer. White paid 51 cents a pound for 1,075 pounds of animal....The steer will be shown at the Wisconsin state fair starting the end of this week before it is butchered.
